

# Umpire Performance Observer Report Form

This form is to be used by on-field or boundary Observers for Umpire observation, feedback and coaching.  
**Observe** the Performance, especially examples of best practice and development points for improvement  
**Record** observed performance against the agreed criteria.  
**Discuss** and ask questions to confirm 'what you observed - was what happened'.  
**Encourage** the candidate to reflect on their own performance  
**Review** and agree the development points for future matches (record in the development action plan)
