**THE CAMBRIDGESHIRE & HUNTINGDONSHIRE  
PREMIER CRICKET LEAGUE  
PLAYING RULES**

**Fixtures**

1. All clubs shall play each other twice per season once at home and once away. Matches shall begin on the first Saturday after 14<sup>th</sup> April and shall end on the last Saturday before 18<sup>th</sup> September each year. The League Fixture Secretary's decision shall be final. No club or team may change their home ground without the prior consent of the League Fixture Secretary. If permission is granted their opponents must be notified by the Monday prior to the match.

**Player Registration**

2. No player may be registered for more than one club within the East Anglian pyramid structure. However, a player qualified to play in the under 16 or younger age groups may register for a second club but cannot play for more than one team in the same division. Any player playing in another ECB Premier League without a full transfer taking place (subject to rules 7, 8 and 9 regarding player transfers) will have to serve a seven day qualifying period from the date of the transfer before being eligible to play.
3. A Category 1 player must be registered on play-cricket.com before their first league match of the season. In addition, all Category 2, 3 and 3E players must complete a Registration Form; once the League Secretary has confirmed receipt of this form the player shall be eligible to play. Any club found guilty of playing an unregistered player shall be deducted any points gained in the match and fined £20 per player.

4. Additional players may be registered on play-cricket.com during the season. No player may be registered after 31<sup>st</sup> July of each season unless he has previously been registered as a playing member of the club in a feeder league in the current season.

The feeder leagues are the Cambridgeshire Cricket Association and the Huntingdonshire Cricket Leagues.

#### **Player Restrictions**

5. Category 1            No Restrictions
- Category 2            Maximum one per team unless a playing member of the club for more than two years and shall be required to re-register each season. Must have been playing in this country continuously for the previous four years.
- Category 3            Maximum one per team and shall be required to re-register each season.
- Category 3E            Maximum one team and shall be required to re-register each season.

#### *Category 3E Definition*

A player not qualified to play for England under the current ECB regulations; who is ordinarily resident in this country for a period of 18 consecutive months prior to the date of request for registration; and has not been out of the country for more than 35 days consecutively or 70 days in the total during the previous 24 months. Any remuneration received from playing cricket must not be the main source of his income. The definition of "ordinary resident" shall be in the absolute discretion of the League Management Committee.

*In relation to the registration of Category 3E Players*

Clubs must satisfy themselves by checking evidence of any such player's continuous residence in the UK eg utility bills, council tax bills, entry and departure dates on passport. In addition, every category 3E player must sign a declaration, as follows:

"I confirm I have been resident in the England and Wales for the past two years and during that period, I have not been outside England and Wales for longer than 35 days consecutively or 70 days in total. I also confirm that any payment that I receive for playing cricket is not my main source of income. I understand that the punishment for making a false declaration in this regard shall be severe and shall most likely result in a lengthy ban, which shall apply to all forms of recreational cricket in England and Wales."

In the event of a player making a false declaration, the club shall also be liable to disciplinary action if it has failed to carry out all reasonable checks on the player's documentary evidence. Clubs shall therefore be expected to keep all record of all such checks.

As there is a continuing need to verify that the criteria are met, clubs must re-register all category 3E players each season, providing evidence of their continuous residence in this country, otherwise they shall be deemed category 3 players.

If a category 3E player has unavoidably due to personal reason had to leave England and Wales for longer than the permitted period, the League Secretary along with three League Management Committee members shall consider each such player's application for continued Category 3E status and their decision shall be final.

A player who has a home in England or Wales and has been granted "Exempt" status, who subsequently accepts a temporary work unconnected to cricket in another country, may apply to re-instate his "exempt" status immediately on his return. Approval is at the discretion of the League Chairman and Secretary and may not be automatic. A student may be granted Category 3E status subject to the production of documentary evidence that he/she is a full-time student attending a three or more year course of study in a bona-fide educational establishment.

The League shall consider all EU passport holders qualified to play First Class Cricket and those qualifying to play for England as category 3E players.

Note: If clubs do not have a category 3 player it is permissible to play two category 3E players.

6. Issues and protests arising from the eligibility of players to play for a club within the league shall be dealt with by a panel comprising of three elected representatives of the league. The same panel shall deal with transfer disputes between a club and a player

#### **Player Transfers**

7. A player wishing to transfer between league clubs within the league season shall need the agreement in writing of the Registrations Secretary. Transfers shall not be allowed after 31<sup>st</sup> July.
8. No overseas player shall be permitted to transfer from one member club to another member club in any one season.
9. A player may leave any one club and join another during a season provided he has discharged all liabilities to his original club.

### **Playing Times**

10. All league matches shall commence at 12.30pm, with the exception of matches played in September, which shall commence at 12 noon. Match start times may be varied with the agreement of both clubs and the League Chairman or Secretary, who shall inform both the Umpires involved in the match.

### **The Toss**

11. The Captains or nominated deputies shall toss for the choice of innings on the field of play not earlier than 30 minutes, nor later than 15 minutes, before the scheduled or rescheduled time for the match to start. In the event of a Captain or nominated deputy not being available to toss during the stipulated time period, the opposing team shall be awarded the toss for choice of innings.

### **Match Duration**

12. Each match shall be 50 overs per side unless reduced by the Umpires. Any overs unused by the team batting first shall be disregarded.

### **Teas**

13. The tea interval shall be 30 minutes in duration and shall normally be taken between innings. The Umpires are empowered to change the timing and length of the tea interval, or to forgo the tea interval altogether, depending upon match circumstances.
14. The home team shall be responsible for providing teas and shall meet all costs.

### **Ground, Weather and Light**

15. The Captains may agree to reduce the available overs in a match at any time before play commences; subject to a minimum of twenty overs per side and the limitations as set out in Appendix B.
16. In all cases of time lost, the first 30 minutes of the delay or interruption shall be disregarded. This time is to be cumulative. If less than 30 minutes have been lost in total, no overs are deducted, but the end times of both innings are extended pro-rata accordingly.
17. In the event of a delayed start or a delay in the first innings, for every interruption one over shall be deducted from both sides for every full seven minutes of time lost.
18. In the event of time being lost in the second innings, one over shall be deducted for every full 3.5 minutes of time lost.
19. The par score shall be decided by multiplying the average run rate per valid ball of the team batting in the first innings by the number of valid balls received by the team batting in the second innings, ignoring fractions of a run. If the team batting first is bowled out, their full overs allocation applies.
20. A minimum of 20 overs must be played in the second innings to obtain a result. Should there be insufficient overs remaining after a stoppage to play 20 overs in the second innings, the match shall be immediately abandoned.

### **Match Balls**

21. For all matches, two new balls shall be made available as approved by the League Management Committee. Each team shall provide one ball for each innings. The Umpires shall report any club failing to provide an official match ball. A fine of £25 shall be imposed for each offence and reimbursement shall be made to the club providing a new ball where the other team fails to supply one.
22. Match spare balls must be of the League standard and shall be supplied by the home team.

### **Bowling Restrictions**

23. No bowler shall be allowed to bowl more than  $\frac{1}{5}$  of the overs available in an innings, rounded up to the nearest full over as described in Appendix B. If the bowling allocation is reduced, any overs already bowled surplus to the amended allowance shall stand. An over in progress at the start of an interruption shall be completed by the same bowler after the interruption regardless of this rule.

### **Free Hits**

24. For all deliveries that are called as No-Balls, the Umpire shall award a free hit for the next ball to whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery, then the next delivery shall become a free hit for whichever batsman is facing it, and so on. For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called a wide ball.
25. No field changes are permitted for a free hit delivery unless there is a change of striker or there are safety issues for close fielders, either in front or behind the wicket.

26. The Umpire shall signal a free hit by extending one arm straight upwards and moving it in a circular motion.

#### **Fielding Circle**

27. Two semi-circles shall be marked on the field of play with their centres the middle stumps at either end of the pitch and their radii 30 yards. The semi-circles shall be linked by two parallel straight lines and marked with dots or disks at 5 yard intervals.

#### **Power Plays**

28. The Power Play shall consist of one block of 15 overs at the start of each innings of an uninterrupted match.
29. In a reduced overs innings, the powerplay shall be adjusted pro-rata to be 30% of the available overs, rounded down as described in Appendix B. If an interruption occurs during a powerplay and causes the powerplay overs to be reduced, the powerplay is recommenced immediately upon resumption of play. If an interruption occurs during a powerplay that would cause the powerplay to end, the powerplay is ended immediately upon resumption of play and shall not apply to any remaining balls in that over.

#### **Fielding Restrictions**

30. At no time shall there be more than five fielders on the leg side, not including the wicket-keeper.
31. During the Power Play overs, only two fielders are permitted to be outside the fielding circle, not including the bowler and wicket-keeper.
32. When there is not a Power Play in progress, no more than five fielders are permitted outside the fielding circle, not including the bowler and wicket-keeper.

### **Penalties for contravention**

33. If any fielding restriction is contravened, either Umpire shall immediately call and signal No-Ball.
34. If the Umpires fail to notice the contravention, provided the ball has not come in to play for the next ball or time has not been called; and upon being made aware, the Umpires shall confer. If they agree that the contravention has been missed, a retrospective No-Ball shall be called and the current ball shall be treated as a No-Ball.

### **Bouncers And Beamers**

35. A bouncer is defined as a delivery that pitches and passes, or would have passed, above shoulder height of the striker stood upright at the crease. In addition, any ball that pitches and passes over head height of the striker stood upright at the crease will be called a no-ball as per Law 21.10.
36. A bowler shall be permitted one delivery as described above per over. The Umpire shall indicate to the bowler and to the striker when such a ball has been delivered. Upon any repetition of such a delivery in the same over, the Umpire shall implement Law 41.6.
37. A beamer is defined as a delivery which passes or would have passed on the full above waist height of the striker standing upright at the crease and the Umpire shall call and signal No-Ball for each delivery. If the Umpire deems such a delivery to be dangerous, in the first instance Umpire shall call and signal No-Ball and indicate that this is a warning only. Upon repetition of the offence, the Umpire will implement Law 41.7.

### **Wide Balls**

38. Any delivery, which in the opinion of the Umpire, does not give the batsman a reasonable opportunity to score runs shall be called a wide. A line shall be marked 17 inches inside the return creases between the bowling and popping creases. Any delivery that passes the striker either on or outside this line on the off side or outside the line of the leg stump of the striker shall be called a wide irrespective of the position of the striker.
39. A delivery passing between the legs of the striker and the wicket shall not be called a wide.

### **Declarations**

40. Neither team shall be allowed to declare their innings closed.

### **Over Rates**

41. Fielding sides are expected to have bowled the first ball of their allocated last over within their allocated time period as indicated by Appendix B. For example, in a normal 50 over innings, this will be 3 hours 15 minutes. No extra time allowances shall be made for wickets taken, drying a wet ball, extras bowled, sightscreen movement or drinks intervals. Exceptional circumstances (as decided by the Umpires alone) shall be treated as time lost and shall have either over reductions or the innings end time extended as appropriate.
42. In shortened matches, the calculated time for the innings shall be 3.5 minutes per over, rounded up to the nearest minute, plus 20 minutes as described in Appendix B.
43. The penalty for not having bowled the first ball of the allocated last over in the allocated time is six runs for every over that is short, ignoring part overs. This penalty shall be awarded immediately the allocated time expires, and shall be recorded under "penalty runs".

44. If the above penalty is awarded in the second innings and results in the team batting second achieving their target or exceeding a par score, the match is immediately at an end.

### **Grounds**

45. A Grounds Sub-Committee shall be appointed by the League Management Committee to determine suitability of clubs entering the League from the feeder competitions. It shall comprise of a minimum of three individuals and shall also deal with pitch reports from Umpires. Failure to meet the Ground Criteria at the start of a season will result in a 50 point deduction, unless a valid reason for dispensation is granted by the Grounds Sub-Committee.
46. All clubs will nominate a home ground before the start of the season. A 50 point deduction will be imposed if the nominated ground is not used for any League game, unless two adverse umpires reports are received for a ground being unfit.
47. All clubs must completely cover the pitch during interruptions. Every reasonable effort must be made to ensure the pitch is fully covered 24 hours prior to the commencement of the match unless permission is given by either the League Chairman or Secretary. Upon failure to do so, and a report being received from the Umpires, the guilty party shall be fined £50 and shall be given a 20 points deduction.
48. A procedure for pitch reporting shall be agreed between the League Management Committee and Umpires Associations.
49. All creases shall be remarked during the tea interval by the home team. Failure to do so shall result in an Umpires report and a fine of £10 for each occasion.

### **Sight Screens**

50. All clubs must have sightcreens at both ends.

51. It is the responsibility of the batting side to move sightscreens. By convention, the fielding side shall assist the first time a sightscreen needs to be moved at each end. After that, not having a sightscreen in place shall not be regarded by the Umpire as a valid reason for a batsman not to be ready to receive a delivery. Umpires shall monitor sightscreen movements closely and award penalty runs as appropriate.

### **Umpires**

52. Umpires shall be appointed by the League to officiate at matches and they shall be empowered to exercise their authority to uphold the Laws of Cricket and these match rules.
53. No match shall be cancelled without the agreement of a member of the League Umpires Panel. A fee of £10 is payable to an Umpire requested to assess the condition of the ground.
54. The Umpires shall take control of the ground 30 minutes before the scheduled start of play and shall be the sole judges of ground, weather and light conditions thereafter.
54. Umpires shall optionally mark clubs on the quality of the ground, playing surface and facilities. These forms shall be submitted to the League Secretary whenever deemed necessary.
56. Each team shall be responsible for paying an Umpire's expenses of £40 before the start of the match. £60 shall be payable (£30 each side) if only one Umpire is present. If no play is possible Umpires shall be entitled to half expenses. If the Umpires are still present at 3.45pm (3.15pm in September) and no play has taken place, the Umpires shall be entitled to full expenses.

57. For the purposes of these rules, "the Umpire" denotes the Umpire at the bowler's end; "the Umpires" denotes both Umpires acting together.
58. All clubs must have separate Umpire changing facilities.
59. All Captains, Umpires and Scorers must have valid DBS certificates.
60. Apart from the rules stated here, the Umpires shall apply the Laws of Cricket.

#### **Scorers**

#### **Points**

62. A team shall win if
  - it scores the most runs in an uninterrupted match, or
  - it exceeds the par score in a reduced match, or
  - the opposition does not achieve at least the par score in a reduced match.

Winning teams shall be awarded 25 points plus a 5 points if they bowl out the opposition.

63. The match is a tie if

the scores are level at the conclusion of an uninterrupted match, or

the team batting second achieves exactly the par score in a reduced innings match,

- regardless of wickets taken.

Tied teams shall be awarded 18 points and no bonus points.

64. If a match is cancelled or abandoned both sides shall be awarded 7 points.

65. Bonus points for a losing team shall be awarded as follows

125 runs scored	1 point	2 wickets taken	2 points
150 runs scored	2 points	4 wickets taken	4 points
175 runs scored	3 points	6 wickets taken	6 points
200 runs scored	4 points	8 wickets taken	8 points
225 runs scored	5 points	10 wickets taken	10 points

Any batting points shall be doubled for a team batting first.

In addition, bonus points shall be awarded to both teams as above if the first innings is completed and the match is subsequently abandoned; or if the first innings is still in progress three hours after the scheduled start time.

### **League Positions**

66. Positions in the league table shall be determined by total number of points. In the event of two or more teams finishing on equal points, the league shall be determined in the following order: most wins, fewest defeats, highest number of bonus points, results in the two matches between the two teams, then runs/ wickets scored and taken in those matches. If still level, the League Management Committee shall arbitrate and, if necessary, arrange a play-off match.

### **Failure to Fulfil Fixtures**

67. In the event of a member club failing to fulfil a fixture for any reason other than inclement weather, they shall be deducted 50 points and fined £100. The team available to play shall be awarded 25 points.
68. All matches are to be played on the date set by the Fixture Secretary. The higher teams in the club must always take priority on all occasions. Seven players must be present and able to take the field for the match to take place.

### **Match Result Reporting**

69. All home clubs must report the full scores of a match or report the match was abandoned or cancelled to the League Secretary on 07760 222487 by 10 pm on the evening of the match. Failure to do so shall result in a fine of £20 per occasion.
70. Prior to the start of the match both Captains shall complete a card detailing the players representing their team and give them to the Umpires. The result and points gained shall be entered after the match, and then the Umpires shall sign the completed result card.

71. All score sheets must be entered on play-cricket.com by the home team within 48 hours of the match. Failure to do so shall result in a £20 fine.

#### **ECB Directives**

72. All ECB directives shall apply, and are to be strictly enforced by the Umpires.

#### **Code of Conduct**

73. A Code of Conduct shall be applied regarding player behaviour and breaches shall be progressed in accordance with the League's adopted procedures.
74. In addition to the disciplinary procedures described, any disciplinary offences deemed to be Levels Three and Four of Laws 42.4 and 42.5 shall not be implemented. They shall be treated as Level Two offences under Law 42.3 and shall be progressed in accordance with the League's adopted procedures.

#### **Promotion and Relegation**

75. The team finishing first in Division One shall, subject to rules and criteria laid down by the East Anglian Premier Cricket League, be eligible to participate in the competition for a place in that League. Should the winning team decline to participate or fail to meet the criteria, the team coming second will be similarly eligible.
76. The League shall adopt an active promotion and relegation policy. The exact numbers of teams promoted and relegated in each division each season will vary. The general principle will be two relegated from Divisions One and Two, two promoted from Divisions Two and Three and the bottom two teams in Division Three being relegated to their relevant feeder leagues.

77. The League shall invite the winners of the top divisions of the two feeder leagues into the competition for the following season provided they wish to participate and meet the league criteria. ## APPENDIX A

### DISCIPLINARY REGULATIONS

#### 1. AIMS AND JURISDICTION

1.1. The Cambridgeshire and Huntingdonshire Joint Disciplinary Committee (C&HJDC) will deal with all disciplinary matters involving clubs, players and officials competing in :-

- The Cambridgeshire & Huntingdonshire Premier League
- The Cambridgeshire Cricket Association
- All Cricket under the Cambridgeshire Cricket Board

1.2. To this end, these discipline regulations has been adopted by all the Leagues and Cup Competitions.

1.3. The regulations shall be complied with by all those who participate under the jurisdiction of any of the Leagues or Cups Management Committees. The regulations shall apply to any player, at any club, at any level, under the auspices of any of the listed Leagues and Cup Competitions.

1.4. The regulations are intended to provide assistance and uniformity to all clubs in dealing with any alleged breach of the Code of Conduct and The Spirit of Cricket.

1.5. Any club which fails to take all reasonable steps to ensure the proper conduct of its players, officials and/or members in all matters for which the club or its committee is responsible, or acts in any way which is prejudicial or detrimental to the interests or reputation of the League breaches this Code of Conduct.

1.6. There is nothing in this Code preventing or discouraging clubs from applying additional or stronger sanctions against offenders than those appearing within the Code, whether or not they are the subject of a discipline report. To this end, it is important that clubs have their own code of conduct and disciplinary procedures in place.

1.7. For the purposes of these regulations, the expression 'player' shall throughout this document be deemed to mean and include not only any player, whether professional or otherwise, but also any member or official of any club or any other person involved in any incident of alleged misconduct occurring on any part of a cricket ground or building and not merely the field of play.

## **2. CODE OF CONDUCT AND SPIRIT OF CRICKET**

### **2.1. Code of Conduct**

2.1.1. All Competitions as shown in 1.1 are committed to maintaining the highest standards of behaviour and conduct at cricket matches both on and off the field. All clubs and players, by virtue of their registration with their respective League and cup competitions, explicitly agree to abide by this Code of Conduct, which incorporates the Spirit of Cricket, and are bound by the provisions in these Regulations.

2.1.2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.

2.1.3. Players and club officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.

## **2.2. Spirit of Cricket**

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

2.2.1. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

2.2.2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

2.2.3. In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action.

2.2.4. Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

### **2.3. Fair and Unfair Play**

2.3.1. According to the Laws the umpires are the sole judges of fair and unfair play.

2.3.2. The umpires will intervene at any time, and it is the responsibility of the captain to take action where required.

2.4.1. Time wasting.

2.4.2. Damaging the pitch.

2.4.3. Dangerous or unfair bowling.

2.4.4. Tampering with the ball.

2.4.5. Any other action that they consider to be unfair.

3.2. Any player or club committing such a breach shall be liable to penalties in the manner prescribed in this document.

3.3. A breach of the Code of Conduct will normally be categorised as Level One, Two, Three or Four as set out in section 9.

### **4. PROCEDURE**

4.1. Reporting of Breaches.

4.1.1. For a first offence of a Level One severity in a match, the umpire(s) should warn the player as to his future conduct and advise him and his captain that any repetition in the match will result in a formal report.

4.1.2. If any player receiving such a warning then commits a further offence in the match, the umpire(s) will advise him and his captain that they will be submitting a formal report.

4.1.3. Should the umpire(s) consider that the first offence is sufficiently serious, they have the authority to decide to submit a formal report without having previously issued any warning. The player and his captain will be advised accordingly.
