## Section 1 - General Rules

### 1.1 M.C.C.

1. All matches shall be conducted in accordance with M.C.C. laws with the exceptions contained herein.

### 1.2 REGISTRATION OF CLUBS

1. Each club shall register or renew their annual affiliation with the CYCA by the **31<sup>st</sup>** December prior to the year of competition together with the appropriate fee.  
Any club failing to do so shall be ineligible for all competitions administered by the CYCA.
2. Each registered club shall notify the COMPETITIONS SUB-COMMITTEE of their entry into competitions by the **1<sup>st</sup> February** in the year of competition together with the appropriate fees.  
Any club failing to do so shall be ineligible for all competitions administered by the CYCA.

### 1.3 REGISTRATION OF PLAYERS

1. A player may only register for one club notwithstanding clause 5 below.

Any club which plays an **unregistered** young cricketer or one **already registered for another affiliated club** shall forfeit ALL the matches in which that player competes while unregistered or registered with another club and those matches shall be awarded to their opponents. In the event that both teams play unregistered players or players registered with another club in the same match, no points will be awarded to either team.

2. Each club shall update on their own cricket club's play-cricket website annually a full list of young cricketers registering the player on the CYCA website together with their dates of birth and any other details as from time to time required by the COMPETITIONS SUB-COMMITTEE by the **2<sup>nd</sup> week of May** in the year of competition.
3. All young cricketers under the age of 15 on the **31<sup>st</sup> August** in the year preceding competition must obtain the written consent of a parent or guardian prior to competing in any match administered by the CYCA.
4. Clubs must register fresh players on the play-cricket website within 24 hours of the first match in which they compete. Any club failing to do so shall be fined £5 for each and every failure to fulfil this requirement by the due time.
5. A player may transfer during the playing season from one affiliated club to another only with the written consent of both clubs or with the written consent of the COMPETITIONS SUB-COMMITTEE which shall not be unreasonably withheld and in any case not on or after the **30<sup>th</sup> June** in the year of competition.

A player who transfers during the season shall be ineligible to play in any cup competition in which they have already played for their previous club.

6. Upon request in any match the manager shall nominate his/her players by entering their names on a result card and making it available to the opposing manager before commencement of play.

#### 1.4 ELIGIBILITY OF PLAYERS

1. Any club who plays an ineligible player according to the following clauses shall forfeit ALL those matches in which that player competes while ineligible and those matches shall be awarded to their opponents.

- To safeguard players against being over played a player may not compete in age group league competitions at more than two different age groups in any week (Monday to Sunday).
- Where a club enters more than one team in the same age group, players may transfer from one team to the other. This is on the proviso that no more than 3 players of the team transfer. County players may not transfer from a premier division to a regional division in the same week as they have played in the premier team.
- All players shall be qualified to play in League and Cup competitions according to their age on the **31<sup>st</sup> August** in the year preceding competition according to the following :- All girls aged under 11 and under will play in their own age group.

All County girls will play in their own age groups.

Girls aged over 11 and under 13 and not in the County representative squad will be allowed to play 1 year down.

Girls aged over 13 and under 17 and not in the County representative squad will be allowed to play 2 years down.

A county player is one that has played at least two county games in the current playing season.

At the same time the ECB cup rules of which we apply to the eligibility criteria to allow entry will mean **all** girls will play at their **own** age group meaning that girls may not play down in cup competitions.

So the following would apply for all girls not in the County squads

Competition	Boys & County girls	born after	non county Girls	born after
Under 9 League	Under 9	31/08/2011	Under 11	31/08/2010

# Section 2 - Competition Rules

## 2.1 FIXTURES

1. Special requests concerning the arrangement of fixtures must be forwarded to the COMPETITIONS SUB-COMMITTEE by the **1<sup>st</sup> February** in the year of competition.
2. Dates of all matches shall be arranged by the COMPETITIONS SUB-COMMITTEE and distributed to clubs by the **1<sup>st</sup> March** in the year of competition.
3. All evening matches shall be time tabled to commence at **6 pm** unless otherwise mutually agreed between the clubs.
4. Clubs on receiving fixtures from the CYCA League should change the week beginning date of home matches on their playcricket website to the date agreed between the two teams. These changes must be completed before the start of the first week of the CYCA league games. Failure to do so will result in a fine of £10

## 2.2 FULFILMENT OF FIXTURES

1. All fixtures are to be played before or on the date set out in the handbook excepting for clauses 2.2.2 to 2.2.6 and 2.6.4. Under-15 league matches are usually to be played on Mondays and Under-13 league matches are usually to be played on Thursdays. In the case of cup matches and league matches, including rearranged Under15 and Under13 matches, the manager of the home team will have choice of dates. The away team will be given reasonable notice, not to be less than 7 whole days.
2. A match may be postponed by the manager of the home team due to inclement weather.
3. In the case of matches being played on public fields or parks the ultimate decision for postponement of matches must be left to the respective ground superintendents.
4. A match may be postponed no later than four days beforehand when School activities prevent five or more players from competing.  
In the event of any protest a written letter from the School shall be required.

5. A match may be abandoned due to inclement weather or any situation which presents a danger to any player or official or spectator by mutual agreement of the two managers or by the ground superintendent.
6. Abandoned or games cancelled due to school activities must be replayed within **two weeks** of the original scheduled date. Procedure to follow for games that do not get played on the designated day.
  - 1) If there is going to be rain or it rains prior to the match or during the match, then the game will be classed as abandoned. It can remain as abandoned and not replayed and the points will be shared. If both clubs can agree to replay the fixture within a two week period then the results will be whatever is achieved on that re-arranged day.
  - 2) If for whatever reason the ground on which the game is due to be played on becomes unavailable or is not fit to be played on, it becomes the responsibility of the home club to find a suitable venue within two weeks to replay the fixture. This could be reversing the fixture or agree that you play the fixture away on the opposition ground.
  - 3) If on the day a club cannot provide a team due to school commitments the club must notify the opposition at least four days prior to the game. If it does not then the game will be awarded to the opposition. If notification is more than than four days then the game is temporarily called void. A new date to play must occur within two weeks of the void game. It is the responsibility of the club that originally called off the game to find a suitable date that fits the opposition who must reasonably offer three dates within that time period. If the club that called off the game cannot find a suitable date then the game will be awarded to the opposition. If the opposing club cannot offer any suitable dates but the club that called off the game are able to play then the game will be awarded to that club. If neither club have any suitable dates to replay the game then it will be declared void.

**In all cases clubs should notify the opposition at least a week prior to a match to confirm a fixture and clubs should respond promptly.**

7. Any club which fails to fulfil a fixture other than a VOID match shall have that match awarded to their opponents.

## **2.3 RESULTS OF MATCHES**

1. Each home club shall enter the result of each match on their club play cricket website, including VOID matches, together with the names of the players so that it reaches the COMPETITIONS SUB-COMMITTEE no later than seven days after its arranged or re-arranged date.
2. The result shall be completed on the playcricket score sheet in full showing players' names. Each team is responsible for their own players and should ensure that the correct players are entered. (If a player is used twice in pairs cricket this should be noted in the comments section to avoid confusion over unregistered players/ unsure.)
3. When a player does not appear to be registered so is entered as unsure the name shall be forwarded to the competitions sub-committee ([IMcNulty@newtonhall.co.uk](mailto:IMcNulty@newtonhall.co.uk))
4. Any club failing to do so shall be fined £5.

6. The winners of each final shall be nominated by CYCA to go forward to any national competitions organised by or on behalf of the England and Wales Cricket Board.
7. Cup matches are ideally to be played on a single day. Where this is not possible, a cup match can be played over two successive evenings.

When a game is arranged to be played over two evenings the side batting first shall bat half their designated overs (unless bowled out earlier) and the opponents shall then face half their designated overs (unless bowled out earlier) before the team batting first is able to bat again. Each side shall bat half the designated number of overs on the first evening (save for early curtailment due to weather or other circumstances). Every effort is to be made to complete the game on the first evening if a result is possible.

Team line-ups shall be made known to the opponents before the start of the match. Qualified substitute fielders will be permitted for absent players on the second evening.

8. In the event of a cup match not being played by the designated date the CYCA competitions committee will request the two teams organise a bowl out. If this is not possible then the result will be determined by a toss of a coin which will be done by the Chair of the Competitions Committee.

## **2.7 Fines**

8. All bowling will happen from one end (same end for both innings)

Divide the runs scored (including extras) at the end of the last fully completed over by the number of overs fully completed

Multiply by twenty and round up to the nearest whole run.

For example, if 70 runs have been scored by the end of the 15<sup>th</sup> over then the 2<sup>nd</sup> innings score shall be

$$((70 \div 15) * 20)$$

$$= 93.3$$

$$= 94$$

5. The team with the greater score shall be the winner. In the event that the scores are equal the match shall be a tie.
6. Each team must use 6 bowlers during the innings.
7. Only two players shall bowl four overs in an innings.
8. In U13 regional leagues no balls and wides to count as 2 runs plus any runs scored. The ball is not to be replayed. During the last 2 overs of each innings all no balls and wides are to be replayed. The no ball or wide will still count as two runs plus any runs scored.

2. The pitch shall be 19 yards in length and the pink ball specified by the league shall be 4.75 oz. in weight.

5. If a batsman is dismissed, then 5 runs is deducted, and the other batsman faces the next ball.
6. The batsman who faced the last ball of the over should not face the first ball of the net over, so if they take a single or three, then don't swap, otherwise swap.
7. Each pair faces 4 different bowlers (except the first/last pair who might get 2 overs from the wicket-keeper)
8. All bowling will happen from one end (same end for both innings)
9. Everyone must bowl at least 2 overs (except Wicket-keeper which is optional)
10. If the wicket-keeper does not bowl, then 2 players may bowl 3 overs each, but never more than 1 to each pair.

11. If the Wicket-keeper is going to bowl, then they should bowl the first two, or last two overs of the innings. Wicket-keepers should only change once per innings.
12. No fielders within 11 yards of the batsman when the ball is bowled.
13. Must be 3 fielders on each side of the wicket

For example, if 45 runs have been scored and 4 wickets conceded by the end of the 10<sup>th</sup> over then the 2<sup>nd</sup> innings score shall be

$$(((45 - 4*5) \div 10) * 15) + 200$$

## **Junior Cricketers playing in Adult Matches**

### **Introduction**

The ECB has issued the following guidance covering the participation of young cricketers in adult matches. This guidance applies to boys and girls and any reference to he/his should be interpreted to include she/her. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

### **Guidance for Clubs and Leagues**

All clubs must recognise that they have a duty of care towards all young players who are representing the club. This duty of care also extends to

Leagues that allow the participation of young players in adult teams in their League. The duty of care should be interpreted in two ways:

- Not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player.
- Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

In addition the following specific requirements apply to young players in adult matches:

- All young players who have not reached their 18<sup>th</sup> birthday must wear a helmet with a face guard when batting and when standing up to the stumps when keeping wicket. Parental consent not to wear a helmet should not be accepted in adult matches. A young player acting as a runner must also wear a helmet even if the player he is running for is not doing so.
- The current ECB fielding regulations must be adhered to and enforced by the umpires and captain. The umpires are empowered by these fielding regulations to stop the game immediately if a young player comes within the restricted distance.
- The umpires and the opposing captain must be notified of the age group of all players participating in an adult match who are in the Under 19 age group or younger even if the player is not a fast bowler. This requirement also covers any young player taking the field as a substitute fielder. The ECB Team Sheet cards are freely available to facilitate this.
- Any player in the Under 13 age group and younger must have explicit written consent from a parent or guardian before participating in adult matches. Clubs must ensure that their player registration procedures ensure that consent is obtained. The guidance related to changing and showering (see 'Safe Hands' – Cricket's Policy for Safeguarding Young People) must be adhered to.
- Any club wishing to play a player in the Under 11 age group in an adult League or Cup match must obtain the explicit prior approval of the League or Cup management before the

player can play. Approval should only be given to exceptionally talented players. It is recommended that advice is sought from the County Age Group Coach or other ECB Level 3 coach as appropriate.

Clubs and Leagues can apply more strict restrictions on the participation of young players in adult matches at their discretion. It is strongly recommended that a parent, guardian or other identified responsible adult is present whenever a player in the Under 13 age group or younger plays in an adult match. This could include the captain or other identified adult player taking responsibility for the young player.

This guidance applies to all Cricket in England and Wales from the beginning of the 2007 season.

## SAFETY GUIDANCE ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS

In February 2000 the England and Wales Cricket Board (ECB) issued safety guidance on the wearing of helmets by young players up to the age of 18. This original guidance document can be found at [www.play-cricket.com/helmets](http://www.play-cricket.com/helmets). In brief, the guidance recommends that:

- helmets with a faceguard or grille should be worn when batting against a hard cricket ball in matches and in practice sessions
- young players should regard a helmet with a faceguard as a normal item of protective equipment when batting, together with pads, gloves and, for boys, an abdominal protector (box)
- young wicket-keepers should wear a helmet with a faceguard when standing up to the stumps.

With the assistance of schools, cricket clubs and leagues, the wearing of helmets by young players is now standard practice in cricket throughout England and Wales. Helmets are widely available and are covered by a British Standard (BS7928:1998).

The original guidance allowed parents or guardians to give their written consent to allow a young player not to wear a helmet. However most clubs, schools and leagues have decided not to accept this parental consent and require all young players to wear a helmet in all junior matches. If a club or school does agree, in exceptional circumstances\*, that a young player need not wear a helmet they must ensure that an ECB Team Card is completed and given to the umpires before the start of play whenever the young player takes part in a junior match.

At the beginning of 2007 the ECB clarified the guidance relating to young players in adult matches and confirmed that all young players who have not reached their 18<sup>th</sup> birthday must wear a helmet with a faceguard when batting and when standing up to the stumps when keeping wicket in adult matches. Parental consent not to wear a helmet should not be accepted in adult cricket.

***This guidance applies to all players up to the age of 18, both in adult cricket and in all junior cricket played with a hard cricket ball. The guidance also applies during all practice sessions. Any individual taking responsibility for players should take all***

***reasonable steps to ensure that this guidance is followed at all times.***

The ECB asks that the guidance is communicated to the parents or guardians of all young players through clubs and schools, and that young players are not allowed to bat or stand up to the stumps when keeping wicket against a hard ball without wearing a helmet.

*\* Additional guidance on what constitutes 'exceptional circumstances' can be obtained from the ECB Cricket Department.*

**Fielding regulations**

The ECB also has regulations covering the minimum fielding distances for young players in all matches where a hard ball is used.

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group and below the distance is 11 yards (10 metres).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
- In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
- These fielding regulations are applicable to all cricket in England and Wales. Age groups are based on the age of the player at midnight on 31<sup>st</sup> August in the year preceding the current season.

## Team Contact Lists

Team Managers will need to negotiate with each other about the day in the nominated week that games will be played, where there is no standard day.

***Under-15 matches are usually played on Mondays***

***Under-13 matches are usually played on Thursdays***

The season ends finally on **25 July 2021** and all matches must be played before that date, or are declared void matches.

Where team managers have not been confirmed (TBC) at the time of going to press, please contact the main club contact.

Team manager contacts can be found on the CYCA website

### **All Cup games should abide by the following: -**

Cup games must take precedence over league games. Games must be completed by the due date for each round. If a game cannot be played by the due date, the result should be decided by a bowl out or if this is not possible then the result should be done by the toss of a coin. The opposition has the choice of calling. The competitions group will if requested make the toss on behalf of the two teams. Results should be posted onto the website within 24 hours. The full result **MUST** be displayed within seven days of the game being played.

## **ECBCA Coaches Association, Cambridgeshire**

ECBCA-Cambs is the local branch of the English Cricket Board Coaches Association (ECBCA), and you will automatically be a member if you join the ECBCA. To be eligible for membership of the ECBCA you must be a qualified coach and pay an annual fee currently of £30 by direct debit or £37 by cheque. ECBCA-Cambs is the local point of contact and works directly with the ECBCA for the interests of all its members.

ECBCA-Cambs provides information on coaching award courses, the latest techniques and equipment, new regulations and directives and national coaching events. The Association also runs refresher days on all aspects of coaching using both local and nationally recognised coaches to lead them. It will also provide information to clubs who wish to employ a coach for both junior and senior training.

Another extremely important benefit of membership of the ECBCA is outstanding insurance cover for coaches, covering members in case of accident or injury involving any youth player during a coaching session. In these times of increasing litigation, this really is essential.

**ECBCA-Cambs strongly advises that all qualified coaches must have this cover and will not recommend any coach to a club, or for county representative coaching without it. For £30(direct debit) or £37 (cheque) per year it is excellent value for money.** The cover is probably better than that provided by your club.

All coaches MUST be DBS (Disclosure and Barring Scheme, formerly CRB - Criminal Records Bureau) checked.
