## **Bowling Restrictions**

23. No bowler shall be allowed to bowl more than  $\frac{1}{5}$  of the overs available in an innings, rounded up to the nearest full over as described in Appendix C. If the bowling allocation is reduced, any overs already bowled surplus to the amended allowance shall stand. An over in progress at the start of an interruption shall be completed by the same bowler after the interruption regardless of this rule.

## **Free Hits**

24. For all deliveries that are called as No-Balls, the Umpire shall award a free hit for the next ball to whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery, then the next delivery shall become a free hit for whichever batsman is facing it, and so on. For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called a wide ball.
25. No field changes are permitted for a free hit delivery unless there is a change of striker or there are safety issues for close fielders, either in front or behind the wicket.

26. The Umpire shall signal a free hit by extending one arm straight upwards and moving it in a circular motion.

### **Fielding Circle**

27. Two semi-circles shall be marked on the field of play with their centres the middle stumps at either end of the pitch and their radii 30 yards. The semi-circles shall be linked by two parallel lines and marked with dots or disks at 5 yard intervals.

### **Power Plays**

28. The Power Plays shall consist of three blocks of overs described as Power Plays One, Two and Three in Appendix C; commencing with 10-30-10 overs in Divisions One and Two and 9-27-9 overs in Division Three in an uninterrupted game.
29. In a reduced overs innings, the Power Plays shall be adjusted as described in Appendix C. If an interruption occurs during a Power Play and causes the Power Play overs to be reduced, the Power Play is recommenced immediately upon resumption of play. ## **Penalties for contravention**

33. If any fielding restriction is contravened, either Umpire shall immediately call and signal No-Ball.
34. If the Umpires fail to notice the contravention, provided the ball has not come in to play for the next ball or time has not been called; and upon being made aware, the Umpires shall confer. If they agree that the contravention has been missed, a retrospective No-Ball shall be called and the current ball shall be treated as a No-Ball.

## **Bouncers And Beamers**

35. A bouncer is defined as a delivery that pitches and passes, or would have passed, above shoulder height of the striker stood upright at the crease. In addition, any ball that pitches and passes over head height of the striker stood upright at the crease will be called a no-ball as per Law 21.10.
36. A bowler shall be permitted one delivery as described above per over. The Umpire shall indicate to the bowler and to the striker when such a ball has been delivered. Upon any repetition of such a delivery in the same over, the Umpire shall implement Law 41.6.
37. A beamer is defined as a delivery which passes or would have passed on the full above waist height of the striker standing upright at the crease and the Umpire shall call and signal No-Ball for each delivery. If the Umpire deems such a delivery to be dangerous, in the first instance Umpire shall call and signal No-Ball and indicate that this is a warning only. Upon repetition of the offence, the Umpire will implement Law 41.7.

## **Wide Balls**

38. Any delivery, which in the opinion of the Umpire, does not give the batsman a reasonable opportunity to score runs shall be called a wide. A line shall be marked 17 inches inside the return creases between the bowling and popping creases. Any delivery that passes the striker either on or outside this line on the off side or outside the line of the leg stump of the striker shall be called a wide irrespective of the position of the striker.
39. A delivery passing between the legs of the striker and the wicket shall not be called a wide.

## **Declarations**

40. Neither team shall be allowed to declare their innings closed.

## **Over Rates**

41. Fielding sides are expected to have bowled the first ball of their allocated last over within their allocated time period as indicated by Appendix C. For example, in a normal 50 over innings, this will be 3 hours 15 minutes. No extra time allowances shall be made for wickets taken, drying a wet ball, extras bowled, sightscreen movement or drinks intervals. Exceptional circumstances (as decided by the Umpires alone) shall be treated as time lost and shall have either over reductions or the innings end time extended as appropriate.
42. In shortened matches, the calculated time for the innings shall be 3.5 minutes per over, rounded up to the nearest minute, plus 20 minutes as described in Appendix C.
43. The penalty for not having bowled the first ball of the allocated last over in the allocated time is six runs for every over that is short, ignoring part overs. This penalty shall be awarded immediately the allocated time expires, and shall be recorded under "penalty runs".

44. If the above penalty is awarded in the second innings and results in the team batting second achieving their target or exceeding a par score, the match is immediately at an end.

## **Grounds**

45. A Grounds Sub-Committee shall be appointed by the League Management Committee to determine suitability of clubs entering the League from the feeder competitions. It shall comprise of a minimum of three individuals and shall also deal with pitch reports from Umpires. 47. All clubs must completely cover the pitch during interruptions. Every reasonable effort must be made to ensure the pitch is fully covered 24 hours prior to the commencement of the match unless permission is given by either the League Chairman or Secretary. 49. All creases shall be remarked during the tea interval by the home team. Failure to do so shall result in an Umpires report and a fine of £10 for each occasion.

## **Sight Screens**

50. All clubs must have sightscreens at both ends.

51. It is the responsibility of the batting side to move sightscreens. By convention, the fielding side shall assist the first time a sightscreen needs to be moved at each end. After that, not having a sightscreen in place shall not be regarded by the Umpire as a valid reason for a batsman not to be ready to receive a delivery. Umpires shall monitor sightscreen movements closely and award penalty runs as appropriate.

## **Umpires**

52. Umpires shall be appointed by the League to officiate at matches and they shall be empowered to exercise their authority to uphold the Laws of Cricket and these match rules.

In addition, bonus points shall be awarded to both teams as above if the first innings is completed and the match is subsequently abandoned; or if the first innings is still in progress three hours after the scheduled start time.

In this instance, media shall include press, radio, television, external websites, club websites, social networking sites and club match programmes.

2.1.9. Players and club officials shall not disclose or comment upon any alleged breach of this Code or upon hearing any report or decision arising from such breach.

2.1.10. Clubs must take adequate steps to ensure the good behaviour of their players, officials, members and supporters.

## **2.2. Spirit of Cricket**

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

2.2.1. There are two Laws which place the responsibility for the team's conduct firmly on the captain.

2.2.2. The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

2.2.3. In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action.

2.2.4. Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

### **2.3. Fair and Unfair Play**

2.3.1. According to the Laws the umpires are the sole judges of fair and unfair play.

2.3.2. The umpires will intervene at any time, and it is the responsibility of the captain to take action where required.

### **2.4. The umpires are authorised to intervene in cases of:**

2.4.1. Time wasting.

2.4.2. Damaging the pitch.

2.4.3. Dangerous or unfair bowling.

2.4.4. Tampering with the ball.

2.4.5. Any other action that they consider to be unfair.

### **2.5. The Spirit of the Game involves RESPECT for:**

2.5.1. Your opponents.

2.5.2. Your own captain and team.

2.5.3. The role of the umpires.

2.5.4. The game's traditional values.

## **2.6. It is against the Spirit of the Game:**

2.6.1. To dispute an umpire's decision by word, action or gesture.

2.6.2. To direct abusive language towards an opponent or umpire.

2.6.3. To indulge in cheating or any sharp practice.

2.6.4. To appeal knowing the batsman is not out.

2.6.5. To advance towards an umpire in an aggressive manner when appealing.

2.6.6. To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

## **2.7. Violence**

There is no place for any act of violence on the field of play.

### **3. BREACHES**

3.1. A breach of the disciplinary regulations occurs when

3.1.1. Any player who offends against the Code of Conduct or acts at any time to prejudice the good name or interests of the Leagues.

3.1.2. Any club fails to properly control or discipline its players or acts in a manner prejudicial to the good name or interests of the Leagues.

3.2. Any player or club committing such a breach shall be liable to penalties in the manner prescribed in this document.

3.3. A breach of the Code of Conduct will normally be categorised as Level One, Two, Three or Four as set out in section 9.

### **4. PROCEDURE**

4.1. Reporting of Breaches.

4.1.1. For a first offence of a Level One severity in a match, the umpire(s) should warn the player as to his future conduct and advise him and his captain that any repetition in the match will result in a formal report.

4.1.2. If any player receiving such a warning then commits a further offence in the match, the umpire(s) will advise him and his captain that they will be submitting a formal report.

4.1.3. Should the umpire(s) consider that the first offence is sufficiently serious, they have the authority to decide to submit a formal report without having previously issued any warning. The player and his captain will be advised accordingly.

4.1.4. Notification that a report is to be submitted following any alleged breaches must first be advised by the umpire(s) to the player and his captain or the executive of the player's club on the day of the alleged offence prior to leaving the ground. Where no appointed Umpire is present, the complaint may be lodged by a club.

4.1.5 All reports and complaints must be received by the relevant League Secretary within 72 hours of the alleged incident.

4.1.6 All reports and complaints may be made via letter or preferably email in plain text. Umpire(s) are free to use the official ECB report forms if they wish.

4.2. On receipt of a report or complaint

4.2.1. The relevant League Secretary will act as Disciplinary Secretary for that case.

4.2.2. If it is deemed by the Umpire(s) in their report (or the Panel in the case of a complaint) to be a Level One offence, the League Secretary will write to club within 72 hours and request information as to what action the club has taken.

4.2.3. The club will reply to the Secretary within seven days of receipt of the letter.

4.2.4. If the Panel decide that the action taken is sufficient, a letter to that effect will be sent to the relevant club within 72 hours of the decision and no further action will be taken. However, the Panel may decide to refer the report to a full Panel Hearing.

4.2.5. The Panel will automatically hear offences deemed to be above Level One.

**All Level One offences will be recorded. Two Level One offences in a season will result in a two match ban. In all Level Two offences, the club will be instructed to take action, and the player banned for two matches. Failure of the club to take appropriate action will result in a Disciplinary Hearing, when the ban will be increased to whatever the Disciplinary Committee deem suitable. More serious offences will result in an automatic Disciplinary Hearing.**

4.3. Suspensions imposed shall be advised in writing to the relevant club's County Board. Match bans will apply to all cricket played under the auspices of ECB.

4.4. In the case of an incident involving a player under the age of 18 years old, the County Board Welfare Officer will immediately be informed. In such circumstances, the incident will be regarded as a welfare and child protection case. If the incident is being investigated by another organisation the Panel will await the outcome of that investigation before taking any further action.

## **5. DISCIPLINARY HEARINGS**

5.1. If a hearing is required, then the relevant League Secretary will be responsible for arranging the hearing.

### 5.2. Format of the Disciplinary Committee

If the player or club is to have representation present at the hearing then the details of that representation must be given to the Panel Secretary not less than 48 hours before the date of the hearing. A club or player involved in disciplinary proceedings will be solely responsible for meeting such costs or expenses as it or they may incur, including the cost of any legal or other representation.

5.5. The standard of proof shall be on the balance of probabilities rather than the criminal standard of beyond reasonable doubt.

6.3. The player or club shall have the same entitlements as set out for the original hearing.

6.4. The relevant League Chairman or his nominated deputy will act as the Appeal Chairman on a case-by-case basis.

6.5. The Appeal Panel members will be constituted in the same manner as the original Hearing Panel. None of the original Hearing Panel members bar the Panel Secretary and the League Child Welfare Officer (if required) will sit on an appeal panel.

6.6. The only grounds for appeal will be

6.6.1. Mistaken identity.

6.6.2. Mistakes in procedure.

6.8.1. Dismiss the appeal for invalid grounds.

6.8.2. Waive or increase any penalties imposed by the original hearing.

6.9. Non-attendance at a hearing of the Appeals Panel by the club or person that submitted the appeal without good and valid reason for such non-attendance will automatically result in forfeiture of their right of appeal.

6.10. The decision arrived at by an appeal panel, or if no appeal is lodged within the proscribed time limit, of the hearing panel shall be final and binding on all parties.

6.11. Any decisions will be conveyed to the clubs and umpire(s) involved within seven days of the hearing date.
