Marks					

Add up the scores for each of the Categories to provide the Total Pitch Score and place a score out of a maximum of 20 in the right hand box

In the event of a spinner not bowling in the match it is not possible to accurately score 'Category-Turn'; therefore at the discretion of the umpires a mark of either 3 or 4 should be awarded to enable the calculation of the Total Pitch Score. The discretion can be applied on the basis of all the other pitch characteristics an umpire has see on the day.

Please Rate the pitch and issue a mark as outlined in the guidance table					
Very Good 17-20	Good 14-16	Above Average 10-13	Below Average 7-9	Poor 1-6	Unfit 0
